HELLO FRIENDS,

what does Italy mean to you? Is it shining seas, warm sand, pizza and pasta or is it perhaps more than that? Join us at the COFFI Festival -Travels through Italian art & culture - so we can explore this colorful land and her wonderful people together!

Our journey will lead us through music, theater, performances, and art in general, but most importantly to that which ties them all together: Film.

The COFFI, Italian Film- & Art-festival will be opened with a scenic cinema-boat-tour on the Spree, during which the movie “La Deutsche Vita”, a documentary about Italians living in Berlin, will be shown.
